

JABEZ GREENAN

Frontend Developer

Bloemfontein, South Africa | (+27) 82 321 8353 | jabezgreenan@gmail.com

[Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFILE

Frontend developer based in South Africa, focused on building responsive, user-friendly websites and web applications with HTML, CSS, JavaScript and React. Comfortable turning designs into clean, functional interfaces and picking up new tools quickly. Brings a strong work ethic and close attention to detail from six years in a client-facing administrative role, and is now looking to bring that reliability to a frontend development team, in South Africa or remotely for an overseas company.

TECHNICAL SKILLS

- **Languages & Core:** HTML5, CSS3, JavaScript (ES6+)
- **Frameworks & Tooling:** React, Vite, Git & GitHub
- **Practices:** Responsive design, component-based architecture, state management, reusable UI components
- **Other:** Microsoft Office Suite (Excel, Word, Outlook, PowerPoint), fast and accurate typing (123 WPM)

PROJECTS

Assembly Game

React, Vite, JavaScript, CSS, HTML

- A React-based word-guessing game where players save a programming language by correctly guessing the hidden word.
- Built with reusable components, state management and dynamic game logic.

[Live demo](#) | [GitHub](#)

Tenzies

React, Vite, JavaScript, CSS, HTML

- A React dice game where players roll and hold dice until all dice match.
- Uses React state, event handling, conditional rendering and reusable components to create an interactive game experience.

[Live demo](#) | [GitHub](#)

Restaurant Ordering App

HTML, CSS, JavaScript

- A responsive restaurant ordering application where users browse menu items, add products to their order, adjust quantities, and view their order total before checkout.

WORK EXPERIENCE

Accounts Administrator

2020 – Present

Greenan's Auto Electrical (Pty) Ltd

- Managed client accounts and maintained accurate financial records, working extensively with Excel to keep data organised and up to date.
- Handled invoicing, receipts and monthly statements, communicating clearly with clients on account queries and outstanding payments.
- Developed strong attention to detail, reliability and time-management skills in a fast-paced environment — skills carried directly into structuring clean, maintainable code.

Bartender & Waiter

2025

Route 64 (Gum Tree)

- Delivered fast, accurate service under pressure while multitasking across orders, payments and customer communication.

EDUCATION

Northern Cape High School — Grade 12	2019 – 2022
CBC High School — Grade 8	2018
